

Your Voice, Your Smile, Your Story

Have you received dental care in the last three years through the Maryland Healthy Smiles Dental Program? If yes, we want to hear from you!

By sharing your experience, you can help us learn more about how dental care is impacting people and communities across Maryland.

Interested in sharing your story? Scan the QR code to learn how to participate.

Ways to share:

- Surveys
- Interviews
- Focus Groups
- Written Stories
- Video Testimonies

To thank you for sharing your experiences, MDAC is offering a gift card for participation.
